

# MOOD BOARD FOR SWIMWEAR

The mood board consists of 18 rounded rectangular boxes arranged in a grid-like pattern. The boxes are outlined in a light pink color. Two boxes are filled with a solid pink color: one on the left side, second row from the top, and one on the right side, fourth row from the top. The remaining 16 boxes are empty white space with pink outlines, intended for users to paste or draw their own swimwear inspiration.
